

IT'S THAT TIME AGAIN... Southern District Youth Conference is just around the corner! The purpose of this annual conference is to bring high school students together to recharge, reconnect, and recommit. We spend time worshiping together as family and also spend time learning together through messages, workshops, and intentional conversations. Youth Conference serves as a means to breathe on the embers of your heart to burn in fresh ways for King Jesus as we learn to live out real faith.

— **Register online at sdcmbyouth.org by Nov. 4** —

When: November 18-20, 2022
Where: Tabor College • Hillsboro, KS
Who: High school students

Earlybird price / \$80 (by Nov. 4)
Regular price / \$100 (after Nov. 4)

THEME

BE ____.

Our culture is obsessed with achievement. We're quick to celebrate success, productivity, records being broken and goals being met.

What if the Christian's measure of success has less to do with doing, and more to do with being? Our hope, as followers of Christ, is to be more like Jesus. We were created in God's image, and while sin stained the way that plays itself out in our lives, God is recreating us into the image of Jesus. The Bible shows us time and time again what God is calling us to be. Opposite of the world, the Christian's walk is not primarily focused on doing, but being. Who will you be?
