2025 THEME:

We have this hope as an anchor
for the soul, firm and secure.
HEBREWS 6:19

DESCRIPTION:

"ANCHORED" invites high school students to explore the depths of their faith and find steadfast strength in challenging times. This year, our focus is on the profound truth that the life, death, and resurrection of Jesus Christ serves as the ultimate anchor for our souls.

Throughout the camp, students will engage in immersive experiences designed to deepen their understanding of how Jesus' sacrifice provides a firm foundation amidst life's uncertainties.

Come explore the glorious hope of King Jesus. Come learn how to hold onto Him - the only one who will never fail, never grow tired, and never give up.

INTERACTIVE Tracks

Interactive tracks are back this summer at camp! Interactive tracks are a great way to connect with Jesus through the hobbies you already love or perhaps through a new activity you've never tried before. Interactive tracks explore the spiritual realities and truths about who God is and what His Kingdom is like through ordinary opportunities. You will be surprised with the amazing life applications you can take away from a wide variety of interactive tracks that will be offered this summer. There is something for everyone!

WORKSHOPS

Campers will have the opportunity a couple different times throughout the week to attend what we call "workshops." These are hour long equipping classes that cover a wide variety of different topics or issues. Each class is a little different, but the goal is to mobilize campers into the world with helpful tools and increased confidence to share the hope of Jesus in powerful and effective ways.

Lean in, learn up, and leave on mission!
